

**1. Amendments to the “Examination Regulations
for the Master Program in Geospatial Technologies
at the Westfälische Wilhelms-Universität Münster, Germany
Universität Jaume I, Castellón, Spain,
and Universidade Nova de Lisboa, Portugal”
of 30. October 2020
of 17 June 2021**

The version of the “Examination Regulations for the Master Program in Geospatial Technologies at the Westfälische Wilhelms-Universität Münster, Germany, Universität Jaume I, Castellón, Spain, and Universidade Nova de Lisboa, Portugal” of 30. October 2020 is to be amended as follows:

Article I:

§ 10 (6) contains the following amended version:

(6) Additional skills and qualifications for which documentation is provided can be taken into consideration upon the student’s request, provided that the required coursework and degree-relevant examinations which they replace are equivalent in terms of content and level. At most, up to half of the coursework and examinations can be replaced in this way.

Article II:

This amended Regulation comes into force on the day following their publication in the Official Announcements of the Universities involved in the programme. This Regulation applies to all students who began their studies in the Master Program in Geospatial Technologies in or after the winter semester of 2021/22.

Issued upon resolution by the faculty board of the Faculty of Geoscience of the University of Münster on 28.04.2021. These regulations are hereby announced.

Please note that in accordance with § 12 (5) of the Higher Education Act of the State of North Rhine-Westphalia (HG NRW) violations of procedural regulation as put forth by regulatory laws or other legal provisions pertaining to university autonomy may no longer be claimed after one year following this announcement, unless

1. the regulations were not properly announced,

2. the Rectorate previously raised an objection to the resolution passed by the deciding committee,
3. the University was issued a reprimand for the formal or procedural defect, and was informed of the violated legal provision and the fact that resulted in the defect,
4. the legal consequence of exclusion resulting from such reprimand was not included in the public announcement of the regulations.

Münster, 17 June 2021

The Rector

Prof Dr Johannes W e s s e l s
