

Final declaration

The project „NRWege ins Studium“ is funded and coordinated by the Ministry of Culture and Science of the State of North Rhine-Westphalia.

The programme “NRWege ins Studium” is the implementation of a public task. Therefore your personal data is needed to ensure the success of the programme. Your data will only be collected and analyzed according to the standards of the GDPR (General Data Protection Regulation). For the above mentioned purpose your data will be transferred in anonymous form by the University of Münster to the portal IT.NRW.

I hereby confirm that the information above is accurate and complete to the best of my knowledge. I am aware that providing intentionally false or incomplete information – especially regarding my financial situation – could result in the cancellation of the scholarship and reimbursement of any funds already received. I hereby confirm that I am aware of the usage and storage of my personal data in connection with the scholarship programme (see note above).

At the end of the funding period, I agree to provide the University of Münster with information about my study performances during the duration of the scholarship. I am aware that any changes which are relevant for the award of the scholarship (change of residence status, abandonment of studies) must immediately be communicated to the coordinators of the NRWege scholarship programme at the University of Münster.

Only valid for first time applications for the NRWege scholarship programme: I hereby confirm that my arrival in Germany is no longer than 5 years ago. For candidates who experienced personal illness, performed care work (raising children or providing nursing care for family members), up to a maximum of two additional years can be considered. Please submit documentary evidence.

Date, place and signature of participant
