

INSTITUTE → CAFETERIA UNIKLINIKUM (SATURDAY)

By foot or bus: go from the Mathematics Institute along Einsteinstraße to the west until reaching bus stop P+R Coesfelder Kreuz (marked with *Bus* in the next picture), then take Albert Schweitzer Straße, as described in the two next pictures (the bus alternative is marked with red, but this is the same for pedestrians). When you see two towers on your left, turn left to Albert-Schweitzer-Campus (brown path in the second picture)
